- 3) **Delivery time frame.** Once the leaflets are delivered to our walkers, they will be distributed from Sunday to Sunday and are not done when raining. Rain may prolong the delivery by the amount of time that it rains for.
Box-2-Box Pty Ltd. reserves the right to deliver over a 14 day period if there is no deadline or timely date noted on the booking form or there is a high volume of leaflets going out that week.
Dated Leaflets: Plan for your distribution to commence 2 weeks before your event.
- 4) **Applicable surcharges.** If the item for delivery is either heavier than 10 grams or has a tight deadline, we need to be informed of this at the time of booking as surcharges are applicable. A surcharge may also apply if leaflets due for delivery in the following week are delivered to our warehouse **after 1pm Thursday**, otherwise they are not guaranteed to be delivered in the following week.
- 5) **Distribution Standards Board.** We are a member of the Distribution Standards Board and adhere to their Code of Conduct, which includes not delivering to "No Junk Mail" or "No Advertising Material Accepted" letterboxes.
- 6) **Cancellation policy.** Before job commencement i.e. Before Friday noon of week job commences, a refund of 90% of the total cost for that weeks distribution will be reimbursed to the client. After this time the job is deemed to have commenced distribution and no refund will be given.
- 7) **Walkers and Area Managers.** All walkers pay an up-front bond and sign a contract after each delivery they do.
Our Area Managers do follow-up checks on walkers after each delivery to ensure that the delivery has been completed properly.
PLEASE NOTE: We do not outsource any work to other distribution companies.
- 8) **Delivery satisfaction.** If you have any queries about the delivery we have undertaken for you, please supply the following details : distribution date, suburb, street and house no. (some times a street crosses over to more than one walker area), so we can do a comprehensive check up on the walker who delivers to that area. It is imperative that this be done within 7 days of completion of the distribution for each area in order for any follow up to be relevant. Box-2-Box aims to have the matter resolved within 48 hours, weather and some circumstances permitting. Any issues received after the 7 days will not be investigated due to the inaccuracy of the results that will be obtained.
- 9) **Boxed leaflets.** Boxes of leaflets arriving or being picked up must be no larger than standard A4 size (32Hx29Lx23W) and not heavier than **10kg per box** (keeping within Occupational, Health & Safety guidelines). If boxes are heavier than or larger than our requirements you will need to re-pack leaflets into suitably sized boxes.
PLEASE NOTE: A4 size leaflets need to be folded to DL or A5 for distribution, otherwise surcharge may apply.
- 10) **Box-2-Box DOES NOT** in any way guarantee that your company will be delivered individually of another company of the same type, generate business or receive a positive response from the letterbox distribution.
- 11) **Left over leaflets.** As our house count for each suburb includes 'No Junk Mail' letterboxes, there will be leftover leaflets. Some of these will be given as surplus to each walker to allow for counting discrepancies and house count changes. We will store the remaining leaflets at our facility for a maximum of 28 days. After this time, if they have not been collected or we haven't received clear instruction from you as to what to do with them, they will be placed in our recycle bin for collection. This is excluding all regular clients who deliver more than once in any 2-month period.
- 12) **Pickup arrangements.** This service is arranged via a courier and each box must weigh no more that 10kg and box size to be as specified in item 9. Please specify number of boxes for pickup at time of booking and full address details and contact number. All pickups must be booked in by noon Thursday of the week distribution job is scheduled for commencement.
- 13) **Pallets /Skids Deliveries.** Box-2-Box doesn't have a forklift or similar available for unloading of pallets or skids at our warehouse. We do not participate in the Chep Pallet exchange program. Should deliveries arrive on a Chep Pallet then a hand unload will be required by the courier. Drop down tail gate truck with pallet jack is advisable for unloading pallets. Skids are a PREFERRED option for unloading at our warehouse as there is less weight per skid and can be usually unloaded with a manual pallet jack. It is the client's responsibility to inform the courier and printer of our setup and that a hand unload by them may be necessary should they be unable to get the pallets / skids into our warehouse location.
